Ben,

Please see my email below. Regarding your email, Alan sent it to the wrong email. I deleted your old email from my contact list. Mystery solved.

Good afternoon all,

Next Friday is not good for me.

I will be celebrating my 30th wedding anniversary and I was going to fly to New York for the weekend. I have a flight on Friday and will fly home on Monday.

I'm hoping I can get everything ready for the board meeting before I leave.

I can create a draft agenda and send it to you tomorrow as I will be here all day to monitor the Boat Show trolleys during the day and Hot Import Nights at night.

Does anyone have any items that you would like me to add to the agenda?

Lorena
